In order to register your application correctly please supply the following information:

### a) Full Members

Name of Region:

Official address:

The Region will be represented at the General Assembly by Mr/Ms

Signature:

(of the responsible administration)

<sup>(1)</sup> Full members are regions or territorial entities, herewith formally acknowledge as "regions", from EU Members States, with a measure of autonomy existing on the next level after the State and endowed with an independent political representation. Full members have the right to vote at General Assembly meetings and may be elected to the Management Board via the representatives designated by themselves.

<sup>(2)</sup> Associate members are local authorities (other than regions), companies, corporations, research institutions, associations, foundations, universities, firms, networks, etc. Associate members are allowed to participate in all working group meetings and to take part to the General Assembly meeting in a non-voting capacity.

**b) Associate Members**
